

MANAGEMENT TEAM

Stephane Roulland, CEO

Stephane is a seasoned entrepreneur with 10 years of experience in video streaming and entertainment. Since 2000 he has been working on transferring video content online for several major channels in France and Canada and successfully launched several Web streaming portals including Loftv, Divertis, and VideoClick. Prior to that Stephane implemented business continuity plans for a leading French bank and specialized in IT for Banking and Finance at Arthur Andersen. Stephane has a degree in International Trade and Marketing from The Paris Chamber of Commerce and Industry and MBA from Sorbonne.

Aldric Feuillebois, CTO

Aldric is a recognized IT expert with 10 years of experience in managing TelCo networks and video streaming. He started his international career as a Security Auditor at Alcatel Lucent-Bell Labs and appeared in international publications for his work for NATO and the French Army. After Alcatel Aldric managed multiple global data management platforms in Europe and India. Since 2008 Aldric is DaCast's CTO, where he is responsible for design of DaCast's products and solutions. Aldric has a degree in Engineering and Computer Science from Ecole Nationale Supérieure des Télécommunications and MBA from ESSEC in Paris.

Chris Kocher, VP Marketing and Strategy

Chris has over 25 years of experience working with pioneering high tech companies. He spent 10 years at HP in a number of product divisions in product management and market development defining innovative new products and bringing them to market. Afterwards he went to Symantec as a VP GM with complete P&L responsibility for one of their product groups (about a third of company revenues at the time) and grew it from \$12-25M. He has also consulted and advised over 90 companies ranging from start-ups to major multinationals to accelerate their growth and valuations. Chris has a BA from Princeton University and an MBA from Columbia University.

Pierre-Yves Bimont-Capocci, VP Business Development Europe

Pierre-Yves combines the dual experience of a senior executive at major multinational companies and of a high level management consultant. His area of expertise lies in business development.

Pierre-Yves has served as Associate Marketing Director with Procter & Gamble, Head of Marketing at EuroDisney, VP Marketing & Sales for R.J. Reynolds Tobacco International and as Regional VP Asia-Pacific for Bertelsmann's music division (BMG).

He also launched an internet company in 1999 and a consulting firm in 2002.

Pierre-Yves is a graduate from HEC (Paris).

BOARD OF ADVISORS

Chuck Wallace

Chuck Wallace is an operating executive and an advisor and consultant to companies in the Internet services and software industries. Previously, Chuck served as the CEO of Ustream.TV, a digital media company. Prior to Ustream, Chuck was a co-founder and senior executive for eight years at Esurance. Chuck built Esurance into the fastest growing auto insurance company in the US. Chuck also serves as a Director of Family Service Agency of San Mateo County and was previously a Director of Swords-to-Plowshares. Chuck's education includes a BS in Engineering Mechanics from the US Air Force Academy, an MBA from the Wharton School, and a JD from the University of Pennsylvania School of Law.

Paul Gomory

Paul Gomory is one of the technology field's most senior and respected recruiters, specializing in recruitment of CEO's and CXO's for technology companies in the US and Europe. Paul is also an investor in several U.S. and international venture capital funds, is a member of l'Association Leonardo in Paris, and is an Advisor to companies including DaCast, Vaience and Lenos. Mr. Gomory is a Vice Chairman of "That Man May See", the vision research foundation at University of California/San Francisco. He graduated from Stanford Business School and Amherst College (Honors; National Merit Scholar), and attended Institut de Hautes Etudes Internationales (Geneva).
